About SWE

Mission: Stimulate women to achieve full potential in careers as engineers and leaders, expand the image of the engineering profession as a positive force in improving the quality of life, and demonstrate the value of diversity.

Vision: To be key to the success of women in engineering and technology.

Core Values:

- Integrity - We aspire to the highest level of ethical behavior as evidenced by honesty and dignity in our personal and professional relationships and responsibilities.
- Inclusive Environment - We embrace diversity in its broadest interpretation and commit to creating an inclusive environment for all our members and stakeholders. We value the contributions of a diverse membership, which enables SWE to achieve its full potential.
- Mutual Support - We provide an organization that fosters mentoring, and the development of professional and personal networks.
- Professional Excellence - We conduct our activities in a professional manner, demonstrating and demanding the highest standards of business practices.
- Trust - We share a common definition of success with open, transparent access to common information, building mutual respect and confidence in the competence of those with whom we lead, serve and partner with.
