HEADLINES

SWE RESEARCH WEBSITE

SWE has opened up a new website dedicated for research.

Go check it out and look for reserach opportunities. There is new and innovating ideas everywhere, to be involved in a research opportunity is great for your resume and in general.

Intro to Coding

We will be having an Intro to Coding workshop for our next meeting! Come on out to learn to code. This is a great opportunity to see if you are interested and like coding.

SWE Mission: Stimulate women to achieve full potential in careers as engineers and leaders, expand the image of the engineering profession as a positive force in improving the quality of life, and demonstrate the value of diversity.

Vision: To be key to the success of women in engineering and technology.

Core Values: Integrity, Inclusive Environment, Mutual Support, Professional Excellence, Trust
